TERMS AND CONDITIONS UNDER WHICH SERVICES ARE RENDERED AND TOOLS AND EQUIPMENT ARE RENTED

TOOL RENTAL AND SUPERVISOR CHARGES

1. **TOOL RENTALS:** Scheduled rental rates begin when tools leave the Cagle Fishing and Rental Tools, LTD. service point, and the customer's responsibility hereunder continues until the tools are returned thereto. Twenty-four (24) hours, or any part thereof, constitutes the first day rental; additional days begin at midnight and continue until the tools are returned. Tools or equipment obtained from outside sources are subject to the prevailing conditions, warranties if any, and prices established by the supplier. Tools left on location on a stand-by basis will be charged as follows: Whether used or not, a first day or minimum rental charge will be issued for each tool and each month, or part thereof; plus regular rental rates will be charged for each day the tool(s) is actually used.

DAMAGED OR LOST TOOLS: Damaged tools will be repaired at the expense of the renter. Tools lost or damaged beyond repair will be charged to the renter at current retail prices. No depreciation or rent shall be deducted from purchase price. Unless claimed, tools and parts charged as damaged beyond repair will be held for sixty (60) days and disposed of at that time. Rental charges plus sale price of tool or parts will be applicable as charges.

SPECIAL TOOLS: Special tools ordered and built will be charged for on the basis of the applicable shop time, plus a minimum rental, whether or not the tool is used.

2. **SUPERVISORS:** Consulting supervisors' time will be charged at sixteen hundred (\$1,600.00) dollars per day for each supervisor required on the job. Fishing tool supervisors' time will be charged at one thousand, nine hundred fifty (\$1,950.00) dollars per day for twenty-four (24) hours. Supervisors' first days will begin at the time of departure from the Cagle service point. The first day ends at midnight and may consist of twenty-four (24) hours, or any part thereof. Additional days begin and end at midnight and continue until an authorized person or persons release the supervisor. Supervisors' time for daylight fishing shall be charged at twelve hundred (\$1,200.00) dollars per twelve (12) hours, or any part thereof. Reverse Unit Supervisors' time for daylight operations shall be charged at nine hundred fifty (\$950.00) dollars per twelve (12) hours, or any part thereof. Supervisors' mileage will be charged at two (\$2.00) dollars per round trip mile. A minimum of one hundred fifty (\$150.00) dollars will be charged for round trips of fifty miles or less.

3. **HOTSHOT, FREIGHT AND HAULING CHARGES:** Hotshot, freight and hauling via company car or pickup will be charged at two (\$2.00) dollars per round trip mile. Trucking with company pickup and tool trailer will be charged at one hundred fifteen (\$115.00) dollars per hour. A minimum of two (2) hours will be charged. Trucking with company winch-truck and float will be charged at one hundred fifty (\$150.00) dollars per hour. Charges begin upon loading of equipment and/or tools, and stop when trucks return to yard. A minimum of three (3) hours will be charged. Charges by common carrier will be billed on the same basis as Cagle has been charged. It is expressly understood that the customer will make arrangements for transportation of our men and equipment in to and out of inaccessible locations, and is to pay all expenses incurred.

4. **TAXES:** All Federal, State and Municipal taxes now or hereafter imposed with respect to services rendered or rental of equipment and/or processing, manufacturing, safe, delivery, transportation and/or proceeds of the merchandise or equipment rented or sold herein specified shall be for the account of the buyer; and if paid or required by the seller, the amount thereof shall be added to and become a part of the price payable by the buyer/renter.

PRICES SUBJECT TO CHANGE WITHOUT NOTICE.

GENERAL TERMS AND CONDITIONS CONTINUED

It is agreed that **CAGLE FISHING & RENTAL TOOLS, LTD.** (Cagle Fishing Tools) shall not be liable or responsible for loss, damage or injury to well for which these services are supplied, or responsible for use of tools supplied for services, or from act of any person engaged in performing services to well. Party for whom such tools and services are furnished assumes all responsibility while tools, supervisor or engineer are furnished for services, and agrees to hold Cagle Fishing Tools harmless for injuries to person(s) or property resulting from such services. Said party for whom such tools and services are furnished assumes all expenses such as telephone, telegraph, freight, express and drayage charges.

WARRANTY: The only warranty made by Cagle Fishing Tools in connection with any products furnished or rented to any customer is, the same shall be free from defects of workmanship and material. The liability of Cagle Fishing Tools for breach of such warranty, when such is shown, shall be limited to the replacement or allowance of credit for the part or parts shown to be defective when used for the purpose for which intended.

RESPONSIBILITY: It is expressly understood that Cagle Fishing Tools shall not be responsible for damages or losses whether direct, indirect, special, consequential, or of any other kind whatsoever, occasioned by or incident to the use of any products, or parts thereof, whether resulting from the negligence of Cagle Fishing Tools, or any of its agents, servants or employees. No agent, employee or representative of Cagle Fishing Tools is authorized to alter or amend in any fashion the provisions contained herein.

TERMS: The customer will pay Cagle Fishing Tools for the materials and equipment used in the service and for the service performed, whether or not the desired results are accomplished, at the amounts set forth in Cagle Fishing Tools' presently effective rate schedule, unless Cagle Fishing Tools and the customer otherwise agree. Unless otherwise specified hereon, terms are thirty (30) days net cash, interest shall be charged at the rate of ten (10%) percent per annum after due date. All bills are payable in Odessa, Ector County, Texas.

NOTE: Where the term of one job is used, one job will be the use of tool or tools until tool or tools have to be redressed at which time another job will apply. One job will not exceed thirty (30) days duration of time.

Each location where tools are used constitutes a new minimum, and regular rental rates will apply. All tools are run at the renter's risk. We exercise every precaution to keep our tools in good condition, but we do not guarantee them.

Well conditions, which prevent satisfactory operation of tools, do not relieve the renter of his responsibility for rental charges of same.
